### **Project Description**

Principal's Priority

1

Replacement of Stage Rigging for the back half of stage.

#### **Benefits if Project is Funded**

Full utilization/movement of the lights during stage production by students and staff would be possible. Our stage is used regularly for productions of plays and concerts. We would be able to safely move lighting and sets without having to use a 20+ foot ladder. The stage then could be used by larger variety of school/community groups.
